We are seeking assistance in locating missing adult Brittany Ann Brown. Brown was last seen at the Monte Carlo Night Club in downtown Mountain View on 9/5/08 at about 3:15am. She was last seen in the presence of an unidentified couple and indicated she was voluntarily going somewhere with them. She was possibly headed to an unknown location in the East Bay area. Her family reported her missing after not hearing from her by Sunday. It is out of character for Brittany not to stay in touch multiple times a day with her family. Brittany was due at work in Mountain View today. She works for the City of Mountain View Parks and Recreation Department. She did not show up for work. This is also extremely out of character for Brittany.

The couple she was last seen with is described as:
Hispanic OR white male adult, tall, brown hair, 21-25 years old.
White female adult, 5'5" or 5'6", slightly heavy-set, 21-25 years old.
They were driving a white Saturn sedan.

Brittany is encouraged to contact her family and/or police if she is OK. Anyone with info on Brittany's whereabouts should contact the MVPD at 650-903-6344.
